

PEMBINA
CONTROLS INC

REACH PEAK PERFORMANCE

EVEN FASTER THAN YOU THOUGHT POSSIBLE

Specializing in process control solutions, Pembina Controls has been a major stocking distributor and manufacturer's representative of instrumentation and control products to the oil and gas, petrochemical, water and waste water, forestry, mining, agriculture and food processing industries, since 1964.

With an extensive background in measurement and controls, our products have been carefully chosen to complement each other and range from the field proven to the newest technologies.

Since our inception, continued growth, diversification and team approach have strengthened our position as one of Canada's leading flow control specialists yet our objectives have remained the same - to provide first class measurement, controls and instrumentation products that meet the highest standards of performance, which we demand for our clients.

PERSONALIZED SERVICE

STREAMLINED, EASY ORDERS

TRUSTED & TRANSPARENT PRICING

HIGHER ROI THROUGH OUTSTANDING PRODUCT

Technology is out-pacing itself while governments and regulatory bodies are continuously launching new guidelines. More than ever before, we are faced with countless solutions. Finding the best products for your unique situation can reduce your costs, enhance your environmental footprint, and improve your production and bottom line.

For decades, our team has helped industrial companies navigate the many options available to make calculated, budget-conscious decisions. Whether you're looking to increase productivity, optimize existing processes, or gain an edge on the competition - we'll guide you the entire way.

STRONG MANUFACTURING PARTNERSHIPS - A HALF CENTURY IN THE MAKING

Our manufacturing partners are recognized as world leaders in their respective fields. Our history runs deep and our ties are strong - which means even faster delivery and competitive pricing for you. The companies we choose to represent are committed to the highest quality, and their research and development teams continue to provide the best products available in the market.

CUSTOMIZED SOLUTIONS IN AN EVOLVING WORLD

As our market landscape continues to change, new regulations form and innovative technologies surface—we will work through your current challenge together to provide the best fit solution. That may mean finding ways to optimize existing equipment, or help you navigate new technologies that suit your unique process or application.

OUR MASSIVE WAREHOUSE MEANS FASTER DELIVERY & STOCKING SPACE

Our warehouse, located in Edmonton, Alberta, offers ample space for stocking your most-needed or forecasted parts. We keep high levels of specialized equipment in-house to ensure a fast and efficient turnaround.

DRIVEN BY DEDICATION FOR MORE THAN 55 YEARS

INDIVIDUAL PRODUCTS OR EXPERTLY CURATED SOLUTIONS

FLOW

Turbine Meters; Oval Gear OP Meters; Magnetic Meters; Ultrasonic Meters; Vortex Meters; Coriolis Mass Meter; Variable Area Meters; Differential Pressure Meters; Control Valves; Totalizers, Flow Computers & Controllers; PD Meters; Hydraulic & Pneumatic Flow Meters; Parts & Accessories

LEVEL

Electric Control Switches; Pneumatic Control Switches; Flow Indicators; Valve Positioning Indicators; Liquid Interface Measurement; Ultrasonic; Radar; TDR; Displacer/Throttling Liquid Level; Adjustable/Snap Acting; 1 1/2" & 2" Site Glasses

ANALYTICS

Oil in Water Analyzer; Water on Oil Analyzer; Measurement Systems; Temperature Compensated Water Cut Monitor/Probe; Temperature & Burner Controls (INVALCO); B S & W Monitor

VALVES & VALVE ACTUATION

Micro Valves; Isolation Valves; Back Pressure Dump Control Valves; Low Pressure Valves; High Pressure Valves; Pressure Pilots; Valve Position Indicators; Overbalanced Valves; Parts & Accessories

ENVIROFRIENDLY

Solar Chemical Pump; Solar Instrument Air Compressor; Combu Unit; Custom Skid Units; Glycol Pump; Remote Pressure Monitoring; Pipeline leak detection

ELECTRICAL

Power, Voltage, Overload & Phase Monitors; Communication Modules; Current Monitors; Ground Fault Monitors; Overload, Pump, Alternating Relays; Seal & Leak/Temperature Relays; Electronic Timers & Solid State Relays; PumpSavers; Load Sensors; Motor Protection Packages; Metal Framing; Telestrut; All Accessories

INSTRUMENTATION

Circular, Strip & Rectangular Recording Charts; Pens & Pen Accessories; Chart Recorder Drives, Parts & Accessories; ESD & Instrument Shrouds; Raceways & Cable Tray Inserts; Spool Tees; Meter Levelling Saddles; Turbine Installation Kits

WELLHEAD

Presco Switch; Isolation Valves; Cable Assemblies

SAFETY

Personal Gas Detection Monitors: *Multi-Gas, Single Gas, Pumps*; Docking Stations; Calibration Gas Mixtures; Flow Regulators; Parts & Accessories

COMPRESSION

Vertical Reciprocating Compressors; Horizontal Reciprocating Compressors; All Service & Overhaul Parts

We understand you have a choice in where you send your business.

When you choose Pembina Controls and our manufacturing partners, our goal is to ensure you are so impressed with our products and service, that you are confident in recommending us to your colleagues, clients and friends.
